**Additional factors: Teacher and SLT time volunteered to help transport and support children at 25 different competitions (supported by TA pay). Some of these were within school time, some after school hours. We were the 3<sup>rd</sup> highest attending school last year across all competitions.**

**The above expenditure does not factor in the £10,000 spent on swimming lessons (some of this cost is recouped by voluntary contributions from parents/carers). £5000 of this was on transport. Transport was very disrupted and at least 8 sessions were cancelled due to issues with coach travel.**
