

Hurley Primary Newsletter

June 2026

Welcome to the final half term of the year! It's a very busy half term coming up so we'll do our best to keep you updated of everything that's going on.

Next Year's Classes and Transition Day – The children will be moving to their new classes for a day on Wednesday 8th July. Children should arrive at school as normal and will move to their new class in the morning and spend most of the day there.

Class	Teacher
Reception	Mr Orchard
Year 1	Miss O'Mara and Mrs Webber
Year 2	Miss Conroy
Year 3	Mrs Mills (Miss Smith) and Mrs Bradbury
Year 4	Miss Appleby
Year 5	Miss Hewitt
Year 6	Miss Slattery

We will be wishing Mrs Coley the best of luck and congratulations in October, when she goes on maternity leave. We are delighted to welcome Miss Appleby to the team and she is excited to be teaching the Year 4 class. Finally, we are all wishing Miss Smith a very happy (and hopefully sunny) wedding day later this term – we'll all have to get used to her new name, Mrs Mills, in the coming weeks!!

Teaching assistants will be present in every class next year but we are currently recruiting a part-time TA so I will confirm more precise arrangements before the transition day.

Year 6 Transition - Most children in Year 6 will be spending the day at their new schools (and in some cases additional days). Y6 children will need to be transported to and from their new schools on this day by parents. Year 6 Parents should have been contacted about this process by their child's secondary school .

Fair Weather – A reminder that it is vital that children bring their water bottles to school, apply long-lasting sun protection before school and wear sun hats. Jumpers and cardigans are more likely to be removed during the warmer weather so please make sure that **all clothing is named**. A name written in biro will normally do the job! We receive a small commission from Stickins if you quote our fundraising number 10362 <https://www.stikins.co.uk/> so if you want to use those, that would be great.

Sporting Events – There are a lot of sporting events happening this half term, including Sports Day and Area Athletics. We also have cricket, tennis and rounders events coming up.

Summer Fayre Football Competition – Due to some missing kit and children who were absent, we had to postpone our Summer Fayre Football Competition last term. For those juniors who entered, we will be running this next Wednesday morning (10th June). Children will need to come to school in PE kits, with trainers and if possible bring in shin pads.

Hurley's Got Talent – We will be holding the final for Hurley's Got Talent in a few weeks. Children will need to practise their acts, ready for their classroom auditions during w/b 29th June. The finalists will show off their talents in our HGT Assembly on Friday 10th July.

Hurley Bake Off – We are running our annual Bake Off at the end of the month (**Monday 29th June**). Children are invited to bake something – sweet or savoury – and enter our baking competition. Afterwards, we will hold a bake sale and the proceeds will be donated to charity (recipient TBC).

Summer Fayre – We look forward to welcoming you to our Summer Fayre this year on Saturday 27th June @ 1pm for lots of fun fayre stalls, the BBQ, bouncy castles, tombola and more. Please join us for a fun-packed afternoon and support the school to raise funds for our trips and learning resources. If you are able to help at the fayre, please let me know as any support on the day is greatly appreciated!

The children are invited to wear their own clothes on Friday 12th June and either bring a donation for the tombola or items for the White Elephant stall (please ensure anything donated is in good working order). Alternatively, if you are able to provide donations of baked goods for a cake stall, please bring these on the day before or the morning of the Summer Fayre.

Attendance – Missing more than 9 days across the school year will reduce attendance below 95%. Even at this level, there will be an impact on children's progress. If this increases or happens each year that a child is in school, the effect snowballs.

Higher levels of poor attendance have an even greater impact on children's progress. But beyond that it affects children's mental health. Regular attendance supports not only learning but social skills and friendships as well as mental well-being. Good attendance of over 95% is vital for every child to reach to succeed and be happy.

We understand that children will occasionally feel unwell. Children should still attend school with coughs or colds—we will take good care of them during the day. However, learning missed through absence can be very difficult to make up.

We kindly ask for your support in ensuring that your child attends school every day and arrives on time, so they can make the most of every learning opportunity. We want every child to reach their full potential and enjoy the bright future ahead of them.

We would also like to remind parents that holidays should not be taken during term time, as this can have a significant impact on a child's education. Leave of absence can only be authorised in truly exceptional circumstances. Thank you for your continued support.

Clubs - Please see our timetable of clubs below. If you would like to join a club, please contact the school office. Clubs will finish in the second-to-last week of term (10th July).

Monday: Y1/2 Multisports, Junior Youth Club

Tuesday: Dodgeball, Y1/2 Youth/Art Club

Wednesday: Beginner Football, Junior Sewing Club

Thursday: Breakfast Gym, Advanced Football (Already plays in a team), Y1/2 Craft Club, Reception Club

Friday: Cricket (Y3-6)

Hurley Holiday Club – We are hoping to run our Hurley Holiday Club this year in the 2nd, 3rd and 4th weeks of the holidays. More details will follow a little later this half term. Last year was incredibly successful and our HPS children had loads of fun during the long weeks of the summer holidays.

Helpers/Readers – If you or someone you know is able to support the school and come in to hear children read, please contact the school. We have a couple of amazing helpers already but we would love to welcome more. If you are interested, please contact the school office and please note that all visitors and helpers are subject to safeguarding checks before working with children.

Key dates for your diary - It's already looking to be a busy term and there are still more dates to come. We'll keep you updated via Dojo but here are some of the key dates for this half term.
